Please note the following:

- 1. Direct Debit of Sunday contributions is done once a month, on the first business day after the first Sunday of the month (we do it monthly rather than weekly to minimize service charges to the Parish).***
- 2. If you have established a weekly donation amount, it can easily be converted to a monthly amount. For example, a weekly gift of \$25 x 52 weeks = \$1,300 annually. When divided by 12 months, this becomes a \$109 monthly contribution.***
